QUALITY AND SUSTAINABILITY UNDER ONE ROOF

Today, it is easier than ever to live sustainably without sacrificing style. Throughout our many years of business, our buyers have trusted us to build safe, high-quality homes with them and their families' well-being in mind. CastleRock makes it possible to create a home that is beautiful, comfortable, and eco-friendly.

INSPIRED BY YOU

CastleRock was founded with one goal in mind; to build sustainable homes that reflect your true essence. Our team is committed to providing superior service with passionate execution, using your life, your personality and your dreams as the building block for your future home.

BUILDING A BETTER HOME

From energy and water efficiency to construction durability and an improved indoor environment, we are building homes that are better for you, your wallet, and the planet. Unique design elements combined with our modern features give every room in your home a luxurious feel that will last a lifetime.

YOUR HOME IS YOUR CASTLE

We believe this old adage remains more applicable today than ever before. Our homes are designed to create unique opportunities for our customers to satisfy their lifestyle needs. In a time of practicality, we continue to focus on adding unexpected flair. Variety of choices remains a key driver in our offering decisions in both our home plans and communities.
