ABOUT THE PLAN

The Sonoran is a stylish rambler with a functional, open-concept layout including 3 bedrooms and 2 bathrooms. The entrance leads you into the open-concept family room, kitchen, and dining areas. The kitchen features a spacious pantry and large island providing ample counter space and storage for your home. Your primary suite is built with relaxation in mind; with a spacious bedroom with natural light, a large walk-in closet, and a gorgeous bathroom with a water closet. A secondary bathroom and two spare bedrooms are near the front of the house with bedrooms featuring walk-in closets, so you'll have plenty of space for guests and loved ones.
