ABOUT THE LYNWOOD

A charming covered entry gives the Lynwood plan ample curb appeal. On the main floor, you'll find a convenient powder room, a spacious great room overlooking a covered patio, and a well-appointed kitchen featuring a center island, walk-in pantry and adjacent dining nook. Other highlights include a central laundry and an elegant primary suite showcasing a private bath and oversized walk-in closet. Upstairs, discover a versatile loft and three additional bedrooms with walk-in closets and a shared bath. You'll love the professionally curated fixtures and finishes selected by our design team!

*This information is presented for educational purposes only. The HERS® index for a confirmed rating will be determined by a third-party HERS rater based on data gathered from on-site observations and, if required, testing of rated features for a home as featured, optioned, located, oriented and/or built.

**Standard new home is based on the RESNET® Reference Home definition with a HERS index of 100 (based on the 2006 International Energy Conservation Code).

***Typical resale home is based on the U.S. Department of Energy definition with a HERS index of 130.

^RESNET has developed the HERS index to indicate the comparative efficiencies of homes. It is no guarantee that energy efficiencies will be achieved.
