ABOUT  
ROLLING GLEN:

# Welcome to a home that just feels right.

Good design inspires every decision we make – and every homebuyer we work with. As you walk through our homes, you’ll feel it. From kitchen galleys generous enough for chefs and guests alike, to hallways wide enough to gather between bath time and story time, we design homes where life comes to life.

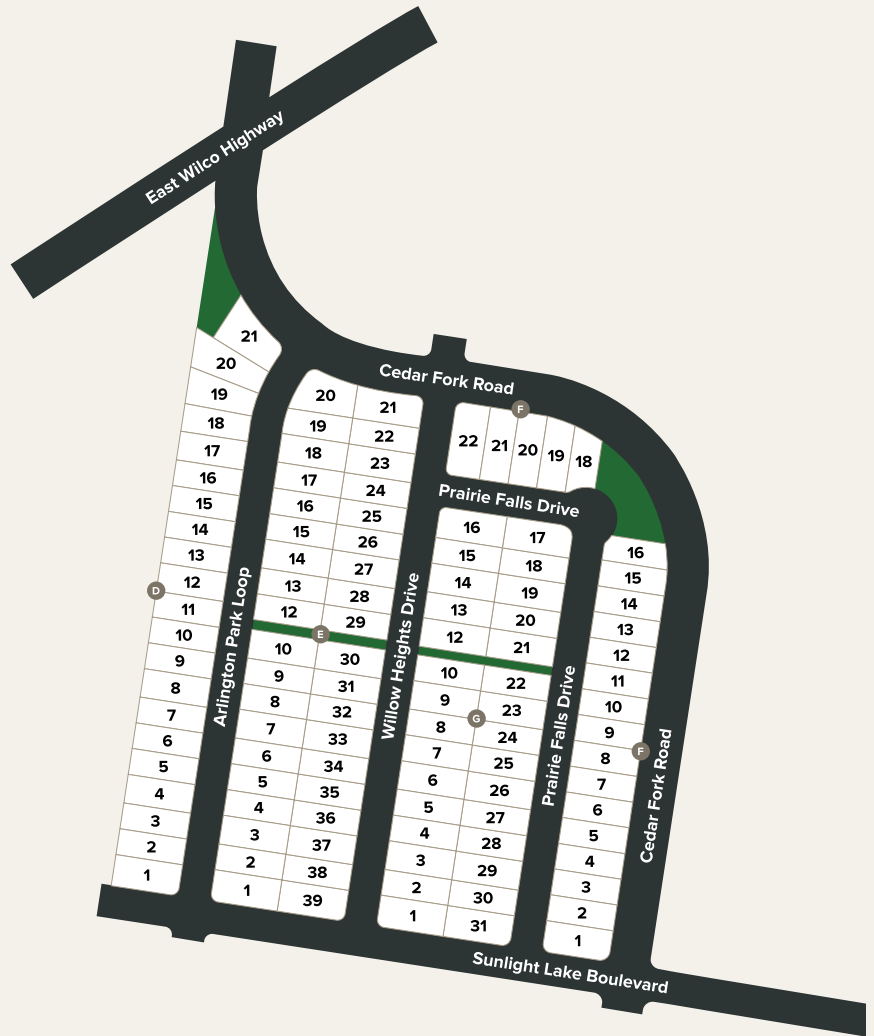

It starts in our Studio, where inspiration and collaboration come to life. Here you’ll work side-by-side with an Ashton Woods designer to discover your style, get inspired by the latest in design-forward finishes and hand-select the personal touches for a home that simply says wow.

While in our Studio, we will also take you through our Ashton Woods Collections. Our Collections, curated by our own designers, are easy-to-love design styles that give your home the Ashton Woods Designer touch – without having to pick every fit and finish yourself. With a wide variety of styles, every collection of countertops, cabinets, flooring and tile comes with its own vibe. Find the one that speaks to you, or use it as the starting point for your own inspiration. The result? The perfect backdrop for the moments that matter most.
