THE PIEDMONT SERIES

The Madison

As you enter the Madison, you're greeted by a spacious living area that seamlessly flows into a dining space and an open kitchen. Large windows flood the area with natural light, making it bright and airy. The kitchen is equipped with modern appliances, ample counter space, and a large island for cooking and casual dining. At the back is an attached 2-car garage with extra storage. Ascending the staircase, you reach a versatile loft area for a family room, home office, or play area. The second level has two bedrooms with closets and large windows. A shared full bathroom with modern fixtures serves these bedrooms. The primary bedroom suite is tucked away for privacy, featuring large windows and an en-suite bathroom with a double vanity, separate tiled walk-in shower, and walk-in closet.
